FOUNDATION
for SUCCESS

Dear Parent or Guardian:

Welcome to Franklin Square! We are pleased that you have expressed an interest in registering your child for our schools. As you work with our Registrars, please know that we are anxious to complete the necessary paperwork as quickly as possible. If you'll pay careful attention to these requirements, I am certain we will be able to successfully register your child quickly. To register, please call the Registration Offices at each building listed below for an appointment.

JSS: 481-5780 ext. 3140

PSS: 352-6300 ext. 3235

WSS: 481-4100 ext. 3340

Enclosed with this letter is a registration packet for you to complete. Included in this packet is a "Physician's Medical Form" which you may bring at the time of registration. Please note that the physical exam must be dated from September 2017 or any date thereafter. Your child will be excluded from all physical activity until the "Physician's Medical Form" is completed and returned to the Central Registration Office. The School Medical Doctor will examine any child who is not seen by his/her own physician. Also included in the packet is a "Record of Immunization" form for your physician to complete. Please bring this form with you to the registration. Your child may not begin school until a completed "Record of Immunization" form is presented to the Registrar at your home building.

In order to register your child for school, please be sure to provide the following:

1. **Original birth certificate**
2. **Proof of immunization with physician's original signature**
(See attached sheet indicating New York State required immunizations.)
3. **Proof of residency (original documents). Current documentation must be provided.**

Students will not be registered unless proofs of residence are submitted. Since the cost to educate a child in this District is approximately \$16,451 per year, we must be certain that every child is a legal resident. The District requires proofs of residence in order to protect the taxpayers from the costs of educating non-resident students. We recognize that presenting these proofs may be somewhat bothersome, but we hope you understand the requirement is for your benefit as a new member of this community.

Warning: This District will take legal action to collect tuition charges if the student is illegally registered. Any person or persons, in addition to parents or guardians, who provide false evidence of residence will also be prosecuted. The District may investigate a student's residence by visits and other means.

You must submit one proof from each category:

Sincerely yours,

Dental Health Certificate- Optional

Parent/Guardian: New York State law (Chapter 281) permits schools to request a dental examination in the following grades: school entry, K, 2, 4, 7, & 10. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your dentist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.

- No, The student listed above is not in fit condition of dental health to permit his/her attendance at the public schools.

NOTE: Not in fit condition of dental health means that a condition exists that interferes with a student's ability to chew, speak or focus on school activities including pain, swelling or infection related to clinical evidence of open cavities. The designation of not in fit condition of dental health to permit attendance at the public school does not preclude the student from attending school.
