

FRANKLIN SQUARE
UNION FREE SCHOOL DISTRICT
is proud to present
Mad Science Summer Programs

Crazy Chemworks

7/16 - 7/19

Shake up a flask of fun in the lab as a junior chemist! This week of Crazy Chemworks is packed with cool reactions. Campers put on some goggles and change liquid to solid and back again. They get to handle laboratory tools, build and break molecules, and pick up some tricks on chemical changes **(Entering Grades 2-6)**

Advanced Robotics

7/23 - 7/26

Join us for a week of fun with amazing robots! In this fun-filled week of camp learn about some advanced robots in our world today. Experiment with sound sensing, line-tracking, and programmable robots! Put your robotic knowledge to the test! Use your skills to build your very own working Robotic Arm to take home with you! **(Entering Grades 3-6)**

Brixology

7/30 - 8/2

Step into the shoes of an engineer! Using LEGO® bricks, campers take part in fun, physically active games based on daily themes, and build different engineering-themed projects each day. They will explore engineering fields, and participate in collaborative challenges to solve real-world problems, while using critical thinking, cooperation and creative problem-solving skills to test and improve creations. **(Entering Grades 2-6)**

All camps are from

1 PM to 4 PM

Monday to Thursday

At Washington St. School

Cost: \$225 per student

(add \$50 for AR camp)
